Theme - The more there is, the worse it gets

Performance Review - Working Little

Take on responsibility more with greater punishment chance harder it is

30 Days (seconds)

Sub 1: fix programs arms matching

← ↑ → ↓

Sub 2: fix circuits

Drag & Drop Gates

→ → → → →

Sub 3: write manuals

match word

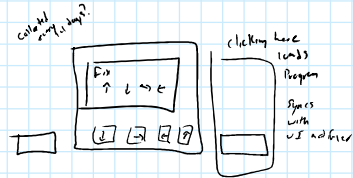

| | |
|--------|--------|
| word | answer |
| green | blue |
| red | orange |
| yellow | teal |

Backlog Tests pile up and expire

Punishment chance 1% complete tasks successfully +2%
complete tasks unsuccessfully -1%
miss it entirely -5%

If punishment chance falls below 0%

getting fixed chance - Red 2%

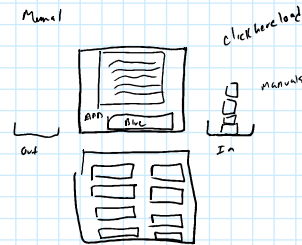

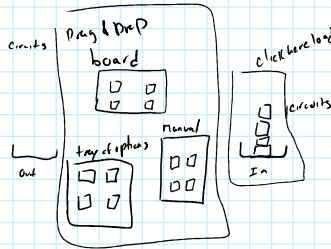

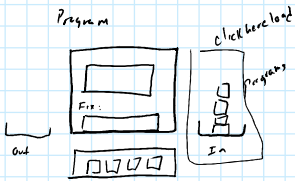

Performance Review
victory: provided & raise
foly: raise
failure: fixed

Let's take a look at your programs
Programs
Fixed: 40
messed up: 30
skipped: 50
Circuits
Fixed: 30
messed up: 40
skipped: 60
Manuals
Fixed: 20
messed up: 10
skipped: 30

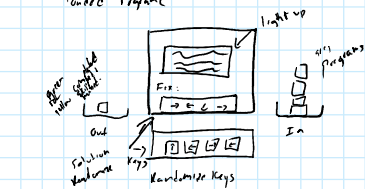

Punishment chance 30%

wait a few seconds

you work hard but you are unpaid congratulations
you've done good but it looks like you still have shift to work
Get out your fire!
